Dear Friends and Neighbors - I hope this letter finds you happy and healthy!

Last week I announced we would be walking the Faubourg with NOPD officers on  
Wednesday  
August 2nd to demonstrate solidarity of commitment to the safety and health of  
our  
home and city.

The meeting place will be Orleans Ave. @ The Bayou - please arrive no later  
than  
7PM THIS THURSDAY August 2nd. We will walk down Orleans, across Dupre to Grand  
Route  
St. John, and finish at Stallings. No formal arrangement or plan exists but I  
hope  
people will stay to visit with their friends and neighbors at Stallings - if  
anyone  
wishes to present music, food etc.. go ahead - this is not a formal FSJNA event  
and I have no permission to use the park for any official capacity.

Officer Tran has advised me that news media may be present so if you are happy  
about  
this display of commitment to our neighborhood please be vocal in sharing that.  
We have another walk scheduled for September during Neighborhood Watch  
training,  
and I hope we can make this a recurring practice.

See you Thursday!
